Follow the steps on the Welcome screen to redeem your voucher code

You can also sign up using USSD, by downloading the ShopriteSA app or in any Shoprite/Checkers or Usave store.

 You are now ready to use the voucher and go shopping! At the till, tell the cashier that you are paying with a Money Market voucher. If your shopping is less than the voucher, the change will remain in your account to use next time. If the shopping is more than the voucher, you will need to pay the difference.
